Witcher 1 Game

With a deep story, complex characters, and tough choices that actually matter, this game will keep you glued to your monitor for days.. Once you experience a grimy medieval world so realistic that you can practically smell it, quests that reject simplistic good and evil for ambiguous 'decisions and consequences,' and, yes, newfangled battle mechanics that add welcome twists to left-click scrapping, you'll find it awfully hard to go back to the usual D&D rip-off.. Polish developer CD Projekt has crafted one of those landmark games that moves the goalposts for everybody, a truly grown-up take on swords and sorcery that breaks just about every fantasy tradition in the book.. By Brett Todd on For The Witcher on the PC, GameFAQs has 6 FAQs (game guides and walkthroughs), 1 cheat, 9 reviews, 56 critic reviews, and 1 user screenshots.. Witcher 1 Game GuideWitcher 1 SteamWitcher 1 Game ReviewNew battle mechanics, a fantastic storyline, and a gritty setting make The Witcher one of the most engrossing, mature RPGs to arrive on the PC in years.. 'The Witcher: Enhanced Edition' for Windows PC Set in a dark fantasy world with a unique medieval, yet somewhat modern, feel to it, The Witcher isn't just another fantasy RPG.. Don't be afraid of change Even though The Witcher may scare off some people with inventive combat that replaces comfortable old rapid-fire clicking with rhythmic sword swinging, there is no need to avoid one of the deepest, most adult role-playing games to hit the PC in years.
